Birding Course

1 - 3 October 2010

Walter Sisulu Botanical Garden

**A birding course with a difference:
Loads of practical veld sessions and an unique
experience observing the ringing of birds.**

This is an extremely productive month for birders - the migrants have returned, many raptor's chicks have fledged and our feathered friends are vocal, attracting mates and claiming nesting sites.

Only 30 participants can be accommodated.

Cost for the course

R950 p.p.

Costs includes: * Course material * Lectures
* Ringing of birds * Tea/coffee
* Lunch Saturday and Sunday
