Dear Friends

### **SANPARKS HONORARY RANGERS GOLF DAY**

Honorary Rangers is a public benefit organisation comprising volunteers (prohibited from making any personal earnings) whose sole purpose is to ensure the sustainability of our (yours and mine) national parks.

Our direct contribution to SANParks was approximately R14million during 2008 and included :

- Full field kit for counter poaching teams
- Bantam aircraft (game counts, patrols, counter insurgency operations)
- Counter poaching boats and related equipment
- 4x4 vehicles for trail guiding
- Bird hides
- Baboon-proof bins
- Cameras, heating equipment fitted into bomas and vehicles for game relocation
- Public environmental education training and displays
- Junior ranger awareness programme
- Alien invader vegetation elimination
- Camp, gate, nursery, walking trail, etc physical duties
- Strategic planning assistance to SANParks executives
- Penguin breeding nests in the Cape
- And many, many more specialised projects

Please assist us in our quest to support our national parks by participating in our golf day on 16 September 2009 (entry form attached) so that we may raise much-needed funds.

With heartfelt thanks
