# SASOL STRETTONS BIRDING EXPERIENCE

INCLUDING THE  
**STRETTONS  
CHALLENGE**

## Garden Route National Park Wilderness Section

**From 28 October - 1 November 2010**

*Join us for a unique Birding Experience in an area of breathtaking beauty in and around the Wilderness National Park, part of **Garden Route National Park**, stretching from **Wilderness** to **Storms River**, Local biomes include the world renowned Ramsar Lakes system, Afromontane forests, Karoo Scrub land, Seafront, Pans & Rivers, all playing host to a huge variety of Bird Life.*

*You will have the opportunity of spotting rare species in the different Biomes, African Finfoot, Narina Trogon, Starred Robin, Tauraco. Birds of Prey include Osprey, Marsh Harrier, Forest & Jackal Buzzards, Fish & Crowned Eagles.*

*Presentations by Bird Peter Ginn, an address by Trevor Hardaker as well as guided walks with local birders, a Sunrise Canoe Trail on the Serpentine, visits One-day trips to the Kammanassie Mountains, Mosselbay & Oudtshoorn areas*

**Thursday 28<sup>th</sup>** - Arrival & Registration, Evening Meal, Welcome, Illustrated Briefing

**Friday to Sunday:** Arrival & Registration [Friday only: A Bird Recognition course by Peter Ginn]

*Mornings and Afternoons: birding with your guides. Evening talks will include slide presentations on next day's birding.*

*Mingle & interact with the other birders and experts, participate in The Glendower Challenge Competitions, Lucky Draws etc*
